CALL TO ORDER: Supervisor Mardino-Miller called the meeting to order at 6:00 p.m

Supervisor Mardino-Miller asked Laura from Baghat, Larito-Baghat explain what is going on with the account changes and the budget. explained that the .1 accounts are personnel, .2 is an equipment co. .4 is contractual. She stated that bills were being paid not designate that purpose, so therefore, the transfers have to be made to charge the correct accounts.

The reason for the deficit is that a truck was purchased from the D accounts not the DA accounts – it was purchased from the wrong that money will have to be put back into the correct fund.

She also discussed the deputy pay and the insurance buy out.

Further discussion ensued about various accounts in the budget an proper accounting methods are going to be used going forward wi budget to avoid short falls in Town funds and try to make correcti the 2019 budget without raising taxes too much.

Laura Napoli will set up email communications with Highway Superinterndent along with proper accounts that various items be from so that there will be no future misuse of highway accounts o for their designated purpose.

ADJOURN: The meeting was adjourned at 7:00 p.m.
