7:00 P.M.

Also Present: Jan Paton

CALL TO ORDER:

Mayor Kerr called the meeting to order at 7:00 PM and led the reciting of The Pledge of Allegiance

OPEN ISSUE:

Jan Pantan, 206 Oak St. South Dayton, NY, came to the board for a complaint of flooding at her home in her basement and driveway. Also having to use 4 sub pumps to drain the water from her basement, and having to call the Fire Department 2 times to help with the issue. Jan also would like the village to pay for one of the sub pumps. Jan had a complaint about the salt piles and dirt blocking the drainage to the catch basins. In reply to these issues Jim Pryll stated the reason for the flooding was due to another person who was directing his water to the catch basin in front of Jan's house and this was causing the flooding issue. Since this incident, Jim has redirected the water of the person causing the flooding to a different catch basin, and this seems to be working very well. Jim and Mayor Kerr offered to stop by when we have the next major down pour to check up on the situation at Jan's. Mayor Kerr also explained that it has been a very heavy winter and very wet spring with torrential downpours, which has caused almost everyone to use more than one sub pump this year. Jim has also done some grating and cold patching and sweeping in front of Jan's house this year. This situation will be evaluated with the next heavy rainfall.
